

THE CLASSIC ONLINE COMP

REGULATION

2020

1.01 - THE CLASSIC ONLINE COMP

THE CLASSIC Online Comp is an online sports competition composed of a series of five competitive workouts (from now on event), announced in five consecutive weeks. The events will be announced in the official instagram page @theclassiconlinecomp. The athlete classification based on their events performances will be ranked in the online platform www.competitioncorner.net. The first athletes, both in masculine and feminine OPEN categories will automatically classify to the Madrid Crossfit Championship 2020.

1.02 - THE EVENTS, ONLINE RANKINGS AND VIDEOS.

The events will be announced each Thursday at 10 p.m. (Central European Time - Winter (CET) UCT + 1:00, this will change the 29th of March to - Summer (CET) UCT +2:00) (Starting the 27th of February) in the official instagram page (@theclassiconlinecomp), from where the official regulation for each event will be available for download. The deadline for completing the event and uploading the result (result and video if necessary) to the online platform www.competitioncorner.net will be the following Monday at 10 p.m. (Central European Time -Summer (CET) UCT +2:00) (The first deadline being the 2nd of March). It will be the athletes responsibility to upload the result in time and form, not being able to plead technical problems from their own or foreign.

Based on the best validated result there will be an event winner in each age group, a leaderboard will be created with the classification of each event. At the same time, a general classification accumulating the results of each event will be created, that classification will determine the overall winners in each age group of THE CLASSIC Online Comp.

To demonstrate the veracity of their results, the first 20 athletes in each event, in the OPEN male and OPEN female categories, and the first 3 athletes in the female Master and male Master categories (this includes all Master categories), will be required to attach a video demonstrating their performance in said event. Videos will have to be recorded following the indications of the event regulation, which will include a detailed section explaining the recording process. Such videos will have to be uploaded to the internet previous to the closing of each event (Monday 10.p.m Central European Time -Summer (CET) UCT +2:00) and the hyperlink will have to be included in the result in the online platform www.competitioncorner.net.

If the result uploaded by any athlete, is in breach of the regulation of the event, both in the execution and/or in its recording process, THE CLASSIC Online Comp reserves the right to modify the result, penalizing to the extent that THE CLASSIC Online Comp justly interprets, even completely invalidating the result if said recording were to be defective or in flagrant breach of the regulations. In regards to the issues that haven't been defined in the regulation, THE CLASSIC online Comp will be who interprets and resolves any issues in this regard, modifying the result or completely invalidating it.

Video proof may be requested to those athletes who, although not having placed in those first places in a particular event, place in such position in the general leaderboard (Accumulative leaderboard). In this same way, athletes who opt to win THE CLASSIC Online Comp should keep video proof for the 5 events for its final validation, since the organization may request them before declaring the final winners.

If the online platform www.competitioncorner.com should present any technical problems, THE CLASSIC Online Comp reserves the right to extend the deadline for delivering the results and videos.
